

Step 6:

Before putting the net on the frame, secure part (2), "Infinite Adjustment" system by screwing onto pole counter clockwise. To attach net part (11) to frame, spread out net and find red tabs attached to net. The red tabs indicate the corners of the net. To attach net, start with one corner and attach with one bungee, then attach the other three corners. Next, start at the top of the frame and attach the bungees across the top spreading them evenly. Attach the bungees on one side spreading them evenly. Repeat on bottom and then on final side.

ASSEMBLY INSTRUCTIONS

DELUXE 2 in 1 Throwing & Pitching Combo Set

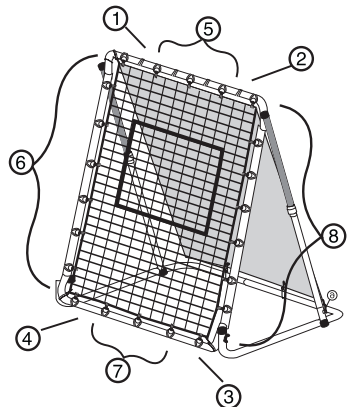

Item #2719

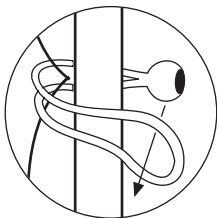

WARNING:

Use extreme caution when assembling the net to the frame. The bungees will be under extreme tension and must be attached carefully. Adult assembly is strongly recommended.

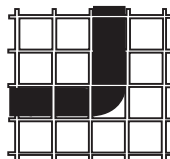

Note: To fold flat for easy storage, depress push pins on **part (6)** and release support arm. Unit will now fold flat.

**Step 7:**

To attach bungees to net hold plastic ball in place and wrap free end around net and side tube. Loop free bungee around plastic ball.

**Step 8:**

Attach target ribbon part (12) by weaving through net and tying off at ends.

**Step 9:**

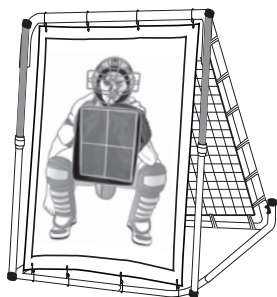

Attach catcher target, part (13), to bungees on other side of return. Place bungee hooks into metal holes around the outside of target screen.

Step 10:

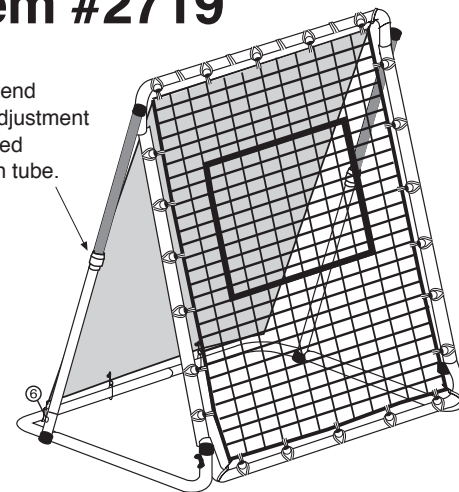

Attach collection bag, part (14), to clips on front of catcher target.

Step 11:

To draw back target, attach back straps to the back brace pole.

Note: Do not extend "Infinite Angle" adjustment system beyond red indicator mark on tube.
